The following are the comments from the students:

UG Course on 12.05.12

Session - 01

- More time to practice.
- We learnt how to do our work an improved manner.
- Little more detail about the shock able & non shock able rhythms were to be taught. And a bit more information. regarding emergency drug administration to be added in presentation.

Session – 02

- It was really good because, batches were made in small number.
