Notification: Research Grant Award from BMCDT

To: All BMC Under Graduate/Post Graduate Students

From: BMC Alumni Association & BMC Development Trust (BMCDT)

Subject: Research Grant Support for Under Graduate/Post Graduate Students

The **BMC Alumni Association** and the **BMC Development Trust (BMCDT)** are pleased to announce financial support for Under Graduate/ Post Graduate Students of Bangalore Medical College and Research Institute (BMCRI) involved in research activities.

One of our esteemed alumnus from the **1959batch**, **Dr. Rajgopalan**, a distinguished transplant surgeon in Chicago, has generously donated funds to encourage and motivate students to pursue research at an early stage in their medical career.

In this regard, **BMCDT** invites applications from Undergraduate /Post Graduate students of Bangalore Medical College and Research Institute (BMCRI) who:

- Have obtained *ethical clearance* for their research projects, and
- Require *financial assistance* to carry out their research.

All applications will be reviewed by the expert committee, and selected candidates will be awarded research grants.

Students are encouraged to take advantage of this valuable opportunity.

Eligible students may submit their request addressed to the Chairman/Secretary, BMCDT, Bangalore.
